B.Des., Interaction Design
National Design Institute (sample)
2019

Sneha Kulkarni

Senior Product Designer (UX / UI)

Product designer with 6 years in consumer apps – research, interaction design and design systems. I turn messy problems into simple flows and measure whether they worked.

EXPERIENCE

Senior Product Designer Feb 2023 – Present
Yatra Lane (travel booking) · Mumbai

- Redesigned flight search and checkout; booking conversion up 14% and support calls down 22%.
- Built the 'Lane' design system (240 components in Figma, tokens shared with React Native).
- Run monthly usability studies in Tier-2/3 cities; led accessibility work to WCAG 2.1 AA.

Product Designer Jul 2020 – Jan 2023
LearnLoop (edtech) · Bengaluru

- Designed the live-class app for 2M students on low-end Android phones.
- Introduced a Hindi and Tamil interface; lesson completion up 19% in those cohorts.

UI Designer Jun 2019 – Jun 2020
Pixelwala Studio · Pune

- Visual design for 15 client apps and websites.
